Section _____
Emergency Evacuation & Relocation

In the event that it becomes necessary to evacuate our building, staff and children will all go to the following location:

Should it become necessary to evacuate staff and children to this location, describe where a pre-prepared notice giving this address to parents will be posted so that parents can see it even if the center is closed and locked.

What are the directions to get to the emergency relocation site, and the means of transportation that will be used to get all staff and children to this site:

Describe how each child's presence will be accounted for in route to this relocation site, and once you arrive at the relocation site:

In the event that it becomes necessary to evacuate our building, we will do the following to ensure we have with us emergency contact information and emergency medical releases for each child ; including contact information for an out of area/state emergency contact person for the child, if available:

Describe how you will ensure that emergency supplies, including at least food, water, a first aid kit, and a cell phone, are taken with you to the emergency relocation site:

Describe how you will ensure adequate supervision of all children during an emergency, including at your emergency relocation site:

Describe the assignments for specific tasks to be performed by all staff members during an emergency:
